How cooked is this iPhone 4s?

No IMEI

No modem firmware

No wifi

No bluetooth

Wont detect a battery

7 years later and I still think the [@Apple](#) [#iPhone5](#) (especially in black) is one of the most beautifully designed pieces of tech I've seen. Think I'm wrong? Let me know. pic.twitter.com/yhD2jqAcBr

*What's fascinating about iPhone XR is that it can do a thing
or two the iPhone XS can't in the camera department: low-
light (f/1.8 real aperture) wide angle portrait shots, and
wide-angle depth capture. (image from [@reckless](#)'s excellent
